Club Meetings

Last week's email included a specific link for each club to access the COVID screening form digitally. If you use the link for your meeting you do not have to turn in the paper form. We hope this will save your club manager time and everyone some paper. Natalie will try to send the links out for each club as a reminder right before your meetings this month. Hope moved their February meeting to February 14 in preparation for the show on the 20th.

RECORDBOOKS

A committee has been established to review the current record book format. There will not be any changes this year but the committee will consider possible changes for the 2021-22 4-H year. Even if you have never done a record book, the committee wants your opinions to determine whether any changes need to be made. Please take this survey by January 31st.

The Texas 4-H website has pages specific to the projects that have lots of helpful information and the Explore Guides are available to help you complete project activities. Check them out at <https://texas4-h.tamu.edu/resources/>

Remember, also, to read the weekly e-mails you receive from Texas 4-H as they often have opportunities that do not get mentioned in this update.

This update is sent via email to all actively enrolled members and leaders. It is also posted on the county website. If you know of someone who is not receiving the updates, please have them check their Spam folders and their enrollment. Thanks!

The poster features a bright yellow background with a close-up image of a bee on a yellow flower. At the top, the text reads "2021 4-H Beekeeping Essay" in bold black font, with the URL "https://texas4-h.tamu.edu/projects/entomology/" below it. A white cloud-shaped box contains the essay topic: "Immunity: Threats to Bee Colonies and Methods to Defend Against the Threats". To the right of the text is a green four-leaf clover with a white 'H' on each leaf. Below the cloud, it says "Submission online through 4HOnline" and "Deadline : Monday, March 15, 2021" in red. At the bottom left is the Texas A&M AgriLife Extension logo.
