

## Lavaca County 4-HUpdate September 2, 2022

Always keep an eye on <a href="https://lavaca.agrilife.org/">https://lavaca.agrilife.org/</a> and our facebook page

https://www.facebook.com/LavacaCounty4H.

#### 2022-23 Enrollment

At this point, about one-third of our members have re-enrolled for the new year. Please take time to get your enrollment completed. This is the last newsletter that will be sent to last year's enrollment list. To enroll go to <a href="http://v2.4honline.com">http://v2.4honline.com</a>. Member enrollment is \$25 until October 31st. It will increase to \$30 on November 1. Members must be 8 and in the third grade and not older than 18 and in the twelfth grade when enrolling. When filling out the enrollment please take the time to indicate all of the projects that you are interested in. This does not commit you to completion of the project but expresses your interest. This is important to tell the state how many members are interested and helps us in the office notify you when opportunities are available related to specific projects. When enrolling, members will need to pay the enrollment fees with a credit card. If you are unable to pay with a card, your membership will not be finalized until you have brought payment to the office.

Clover Kids may enroll at no charge. Clover Kids are in K-2 and do not compete nor do they raise and show animal projects. Clover Kids activities are non-competitive and focused on hands on learning. Clover kids may participate in the county wide food and nutrition, fashion and interior design, share-the-fun, and photography activities and may exhibit at the project contests.

Adults and youth who do not enroll are not covered by the 4-H liability insurance. Additionally, adults who do not enroll are unable to serve as chaperones and participate in District and State level events. The adult enrollment includes a criminal background check and safety trainings that help provide protections for the youth in our program. Adults may pay with card or those who select the "pay by check" option will have their \$10 fee paid by Lavaca County 4-H. We will not be writing reimbursements for adult enrollments paid by card and we greatly appreciate your covering the expense.

# County Council & Adult Volunteers Meeting

The County 4-H Council is made up of three delegates from each of the eleven clubs in the county. Additionally, there are seven officers. All members are invited to attend Council meetings. Only those members who are designated as voting delegates (or

are in attendance as an alternate) and the officers vote. All members may engage in the discussion. Adult volunteers are invited and encouraged to attend the meeting. Adults meet separately but at the same time as council to plan details of countywide activities and address issues as they arise.

The Council meets in the months of September, November, January, March and May. This month's meeting was scheduled for Monday, September 12 at 6:30. There are a number of conflicts with the time. A poll has been created in the County Council Band App (a messaging tool that works on all phones and computers). If you are a county council member please take the time to access the survey and respond ASAP. We will evaluate the survey responses

and communicate through the band app about the meeting time. All who are interested in attending council meetings are invited to join the band app using the QR code.

# Club Managers

Managers are reminded to pick up their tool kits. The folders full of resources are sitting on the conference table in the office.

Foods and Nutrition and Leadership Project Workshops
Sunday, September 25, 2022
Hallettsville Youth Center

1:15 p.m.-3:00 p.m. - Foods and Nutrition Workshop

Hands On Activities and Information about the related contests

This workshop is open to all members and clover kids.

3:00 p.m. - 4:00 p.m. Leadership Workshop

This workshop is open to all members interested in serving as junior and teen leaders.

Club and council officers are strongly encouraged to attend.

Call the office at 361-798-2221 to register for one or both workshops.

#### Congratulations!

#### Texas 4-H Recordbook Results

Arielle Bennetsen - 6<sup>th</sup> Place Health and Personal Safety

   talent show. This will be a fun day! Details will be shared at the county
   council meeting and in the next newsletter.

### New Year -Need a t-shirt?

We have Lavaca County 4-H shirts for sale in the office. We have both dri-fit and cotton and shirts in both adult and youth sizes. Wearing a 4-H shirt to school is a great way to promote 4-H!

# Shooting Sports Coaches Training

District 11 4-H will be hosting a Shooting Sports Coaches Training for Archery, Pistol, Rifle, & Shotgun in Victoria, TX on <u>October 15-16. 2022.</u>

This training is open to any potential coach across the state.

- > Registration will be conducted through 4-H Online.
- Look for 2022-2023 D11 4-H Shooting Sports Coach Certification-Victoria, TX
- Registration is open NOW through September 30 for \$130
- ➤ Late registration will be open October 1-5 for \$150

Participants MUST be an active volunteer on 4-Honline to be able to register. This means you must complete the volunteer trainings and the background check has to come back. So, Enroll VOLUNTEERS NOW!

#### Additional details:

- Registration will cover meals, snacks, and course materials.
- Only one discipline certification (archery, pistol, rifle, or shotgun) is obtainable per participant per training.
- > Lodging will be the responsibility of the participants.
- > Tentative schedule, what to bring list, and release forms can be found on the district 11 4-H website. Additional details will be sent to those that register.

Visit the website to view more details (including lodging information, required forms): <a href="https://d114-h.tamu.edu/events-and-contests/district-11-shooting-sports/">https://d114-h.tamu.edu/events-and-contests/district-11-shooting-sports/</a>

# Project Corner

#### IS YOUR PROJECT REALLY A PROJECT??

Did you know you should set goals at the beginning of each 4-H year? What do you want to learn and accomplish this year? Your goals should go beyond wanting to "win". Shows and other contests are not your project. Shows and competitions are activities that are part of your project. When setting project goals, you should be considering what you want to learn that is new or different from previous years – because 4-H is about always making ourselves a little better than before.

A project is considered a project when you have completed six or more learning experiences (at least thirty minutes each), have done some community service and leadership related to it, and showed your project in some way.

Clubs need adult volunteers and teen leaders to take on the role of project leaders to guide members in project learning experiences. The Texas 4-H website has Explore Guides filled with great learning activities for many of our projects. We have additional resources in the office and access online to some other project materials. Please do not hesitate to reach out to us for questions and help with your projects.

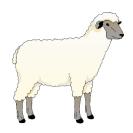

# Save the Date

More Information Coming Soon

Saturday, October 22 1:00 - 5:00 (tentative time) County Food Show and Food Challenge

Saturday, October 22

## **Quality Counts**

Quality Counts verification is required for all major livestock show exhibitors. The number must be used on major livestock show entries (therefore, it is important that exhibitors complete this before entry). You must complete quality counts once as a junior, once as an intermediate, and once as a senior.

Let Natalie
know if you
are
interested in
attending. It
would be
great to have
a group going
to represent
Lavaca
County!
