Record Book Corner

Great Questions: Where do I find the record book forms? How do I know which category I should enter?

Everything you need to complete a book is housed on the Texas 4-H website at <https://texas4-h.tamu.edu/recordbooks/>. Included on the website is a document called the Record Book Family Guide. If you take the time to go section by section through the guide while you are preparing a book you cannot go wrong!

Another resource that is available is the recording of the recordbook training that was conducted virtually in the spring. Here is a link to the unlisted recording: <https://youtu.be/IZ6ytD36PKo?si=ElYxZMa9fP-aaLjX>

TEXAS 4-H YOUTH DEVELOPMENT PROGRAM

National 4-H Conference - April 19-24, 2024

WHAT IS NATIONAL 4-H CONFERENCE?

National 4-H Conference is the Secretary of Agriculture's premier youth development opportunity to engage youth in developing recommendations for the 4-H Youth Development Program. If you want to strengthen your leadership and/or citizenship projects, this is an excellent opportunity.

National 4-H Conference is a working conference in which youth and adults--at the invitation of the Secretary of Agriculture--assist in the development of recommendations to help guide 4-H Youth Development Programs nationally and in their communities. This event brings together youth, volunteer leaders, and state and county Extension staff members from across the United States, the U.S. Territories, and the Canadian Provinces.

As the sponsor for this conference, the National 4-H Headquarters--located within Families, 4-H, and Nutrition at the U.S. Department of Agriculture's (USDA's) National Institute of Food and Agriculture (NIFA) --is charged with sharing the recommendations that emerge from the conference with the Secretary of Agriculture, national Extension Program Leaders, and others who determine 4-H programs. Each delegate chooses an important societal topic to discuss in a roundtable situation with other delegates. From the roundtable discussion, the groups prepare a briefing to present to federal stakeholders. This experiential approach ensures that the conference is a meaningful experience for the youth and adult participants. Social activities in the evening, tours of Monuments and Museums and cultural entertainment round out the conference.

For a true youth view of the National Conference experience, please see the quotes on the next page!

LOCATION:

The 2023 National 4-H Conference will be held at the Hyatt Regency Crystal City – Arlington, VA. It is right by the Ronald Reagan National Airport and approximately 5 miles from the Nation's Capitol, making it the perfect gateway to Washington, D.C.'s leaders, monuments and museums.

WHO SHOULD APPLY?

The National 4-H Conference requires youth who are focused and committed to working during the Conference and in their state. The Texas delegation will consist of 10-20 youth delegates, who will be required to engage in pre- and post-conference work and participate in all scheduled conference activities. The minimum age requirement for a Texas youth delegate is 15 years old (must be by January 1, 2024). The maximum age for a Texas youth delegate is 18.

APPLICATION PROCESS:

Applications will open on December 1, 2023. Applications must be submitted online and certified through 4HOnline by December 15, 2023. Choose '2024 National 4-H Conference Delegate Application'. A fee is NOT required to complete the application. County Extension Office personnel will certify the application, so please communicate with your Extension Agent of your intent to apply. Final selection of delegates will be made on the basis of the online application; you may be contacted for a telephone interview. The final selection of delegates will be announced on, or before, January 17, 2024.

COST:

The delegate's share of registration, adult chaperone registration(s), lodging, airfare, meals, and transportation costs between \$2,000.00- 2,500.00. Once we receive the information from Nationals and can look at additional costs, we will let selected participants know the final cost. This registration fee will be due on February 1, 2024 payable through 4-HOnline.

TEXAS DELEGATION MEETING LOCATION:

The Texas delegation will travel out of Houston, Austin, San Antonio or Dallas (depending on the cost of airline tickets and the geographical makeup of the delegation). All travel costs to the airport to meet the group is the responsibility of the delegate.

Reimbursement for Select Activities

Members may request reimbursement for a number of activities including participation at the Texas 4-H Center and entry fees for 4-H contests. Refer to the policy for details. Go to

There are LOTS of opportunities that do not get included in this newsletter. Make sure you are also reading the weekly email from Texas 4-H and following Texas 4-H on social media so you do not miss out. There is just more than we can possibly keep up with and share. If you participate in something, please send us a picture or two and let us know what you learned and what you did so we can spotlight you in this newsletter or on our Facebook page!
